

# Invitation to the Boat Dedication of the “Andy Allen ’46 ”

Fred Suckow, Andy Allen and Coach Allan Walz from a photo by James Roy Miller of *The Capital Times* around June 26, 1946

**When:** Saturday, April 25, 2009 at 9:00 am

**Where:** Porter Boathouse on Babcock Drive (where the old boathouse stood).

**Cost:** \$15 per person

**Parking:** Parking available in Lot 34.

Andy Allen rowed for Wisconsin in 1946 when the Badgers won the inaugural Eastern Sprints, the conference championship for men’s crew. Wisconsin did not win again until 2002 and then in again 2008, as the varsity eight went undefeated to win the national championship.

Today’s champions stand on the shoulders of those rowers and supporters who came before. Help us acknowledge and celebrate the rowing successes of 1946!

Please join us for breakfast and the dedication of the *Andy Allen ’46*. Meet Andy Allen and his family. A race among Wisconsin’s freshmen eights is also a possibility.
